**Statement on Legislation To
Implement the Community and
Faith-Based Initiative**

February 5, 2003

I applaud the Senate Finance Committee, under the leadership of Senators Grassley and Baucus, for moving quickly on a key component of bipartisan faith-based legislation sponsored by Senators Santorum and Lieberman. Today's action brings us one step closer to creating incentives for Americans to donate more to charities, many of which are facing tough financial times. We must also work to level the playing field for community and faith-based organizations that provide effective social services to our fellow citizens who are in need. I look forward to

working closely with the Senate and House to improve the legislation to get a strong, bipartisan faith-based bill on my desk as soon as possible. Together, we can help encourage acts of compassion that can transform our Nation, one heart and one soul at a time.

**Message to the Congress
Transmitting the Norway-United
States Agreement on Social Security**

February 5, 2003

To the Congress of the United States:

Pursuant to section 233(e)(1) of the Social Security Act, as amended by the Social Security Amendments of 1977 (Public Law 95–216, 42 U.S.C. 433(e)(1)), I transmit herewith the Agreement Between the United States of America and the Kingdom of Norway on Social Security, with a related administrative agreement, both signed at Oslo on November 30, 2001. This revised Agreement is intended to modify certain provisions of the original United States and Norwegian Agreement, which was signed in Washington on January 13, 1983, and, upon its entry into force, will replace the 1983 Agreement.

The revised United States-Norwegian Agreement is similar in objective to the other social security agreements already in force with Austria, Belgium, Canada, Chile, Finland, France, Germany, Greece, Ireland, Italy, Korea, Luxembourg, The Netherlands, Portugal, Spain, Sweden, Switzerland, and the United Kingdom. Such bilateral agreements provide for limited coordination between the United States and foreign social security systems to eliminate dual social security coverage and taxation, and to help prevent the lost benefit protection that can occur when workers divide their careers between two countries. The revised United States-Norwegian Agreement contains all provisions mandated by section 233 and other provisions, which I deem appropriate to carry out the purposes of section 233, pursuant to section 233(c)(4).

I also transmit for the information of the Congress a report prepared by the Social Security Administration explaining the key
